

# How Photography & Videography Can Boost Your Business in Brunei

**?** In marketing, photography & videography are tools of visual communications through photo & video respectively

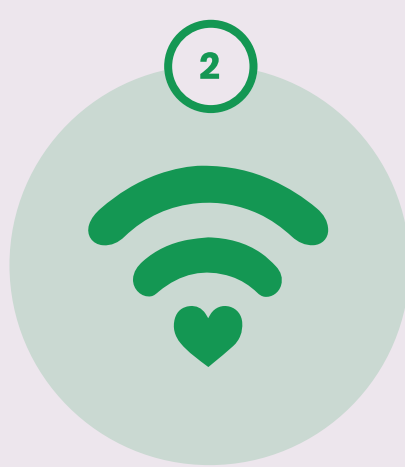

## Importance / Benefits

Utilising photos & videos to make an impactful impression on your business or brand

**1**  
**First impression matters**

- Product photography / videography – high quality media output to build trust
- Brand photography / videography – brand recognition
- Sometimes you can't show your product offline

**2**  
**Connect with your audience & customers**

- Use photography & videography to convey your company's personality as well as employees
- Customers get the feel of your company as a whole
- Be more personal with your customers to create a better relationship

**3**  
**Bespoke photos & videos**

- A picture is worth a thousand words, make sure you are saying the right ones
- Skip the stock photos, curate your brand & company personality to your liking
